9:36 am

40-3

LD call from MOSCOW, to Mrs. V.A. VASHEEDCHENKO from her mother. Talked generally about how mother feeling and discussed the proposed trip~~xx~~ to Moscow by Mrs VASH. Mother informed her that the house has been ready for them since March 13th. VASH thought about the possibility of going latter part of April, but if not will be taking vacation sometime in July. That she already has the tickets but if not used sometime in April will turn them back and get their money and ~~reapply inxxJulyxx~~ for July. Mrs. VASH then called her husband, V.V. VASHEEDCHENKO and informed him of call from mother, but told him she tried to keep it within the three minute period and wasn't quite able to understand everything mother was saying (connection poor). VASH told wife that he will be at Tass office by 10:00 am this morning. OK. (Russian) jel

10:02 am
